INFORMATION DISCLOSURE STATEMENT

Honorable Commissioner of Patents
& Trademarks
Washington, D.C. 20231

Dear Sir:

Pursuant to the obligation of 35 U.S. Section 1.98, attached is a completed copy of Form PTO-1449 listing patents, publications and other information submitted for consideration by the Office.

One of the cited references is the URL for a Microsoft Help File for the Microsoft SQL Server database. The inventors consulted that on-line help file when drafting code to implement the invention. Applicants have attempted to reproduce the contents of the help file and have also attempted to reproduce the web site as it existed in mid-December, 2003, but have not been able to do either. Thus, Applicants are unable to provide a copy of that reference, and must refer the Examiner to the URL (which, unfortunately, will likely change between the current date and the date of examination of the present application).

Applicants request that the Examiner review each reference and make all references of record.

Date: January 6, 2004

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. Harrison Colter", written over the printed name.
